MEMORANDUM

FOR INFORMATION

January 17, 2012

To: Adrian Enterprises, Inc.
% Martin Adrian
825 Cantwell Lane
Corpus Christi, TX 78408

From: Pablo Garza Area Operations Manager
International Boundary and Water Commission,
United States Section, Amistad Field Office

Subject: Letter of Recommendation

RE: Contract #IBM11C0007

Now that the Amistad Structures project is completed here in Del Rio, we would like to thank you and your team for the excellent performance on these projects. Despite the weather being a problem due to rain and/or high winds, the job was completed approximately one month ahead of schedule.

In the administrative work areas, your team worked with equal flexibility and efficiency for a rapid completion. It is most important to note that our experience was highlighted by an enjoyable relationship with a thoroughly professional and courteous team, yourself included. This is an invaluable asset that will serve you well for your future projects.

Thanks for everything.

Sincerely,

Pablo Garza
